Work Experience

Lead Property Evaluation Specialist

Hometown Property Management-Lacey, WA
October 2022 to October 2023

Provide concise and timely evaluations of rental properties for our clients and provide information to our renters, homeowners, and other departments within the company to facilitate the renters move in or move out process. Provide general inspections of homes for homeowners while renters are in the home. Serve notices to renters as needed. Communicate effectively and efficiently with both renters and homeowners on current status of properties and or projects concerning their properties.

Owner and Operator

SPS Inspections-Olympia, WA
January 2019 to October 2022

After receiving my home inspection license, I started SPS Inspections to provide inspection services to those around Thurston county and the surrounding areas. From scheduling and customer services to sales, web design, graphic design, marketing, bookkeeping, performing home inspections and writing reports and so much more. For the last 3 years, I have been solely responsible for all operations of the company both within and without.

Odd Jobs
